

VALLEY LUTHERAN HIGH SCHOOL

TUITION POLICY

2018-2019

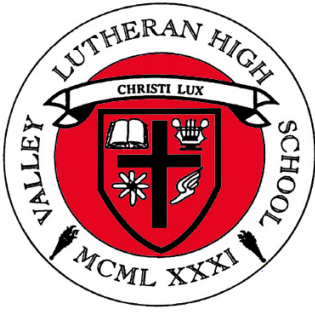

At the beginning of each school year each parent/guardian is asked to complete and sign a Financial Contract. This is a contract between you (the parent/guardian) and Valley Lutheran High School. You will be expected to adhere to your commitment as designated on this Financial Contract. Students will not be permitted to begin school until a completed Financial Contract is on file in our Business Office.

We strongly urge each parent/guardian to keep in contact with our Business Office if a situation arises in your family. Arizona has several School Tuition Organizations that provide scholarships for high school students. Our Business Office can be reached at extension 111 and may be of assistance to you in applying for scholarships.

Late Tuition Policy -

- #1 When an account is not current by the end of the first semester, a hold will be placed on grades until the parent/guardian can make arrangements to bring the account up to date. We realize scholarships may be assisting you with tuition; but accounts still require a regular monthly payment by the parent/guardian.
- #2 If at the end of the third quarter an account is still not up to date, the account hold will continue until the balance is paid.
- #3 Students will not be permitted to start a school year until 90% of the previous school year's tuition is paid.
- #4 Seniors will not receive a diploma and/or transcript until all tuition has been paid.

Again, we urge each family to stay in contact with our Business Office regarding your family situations.
